Rose Hill Music Practice-A-Thon

The Music Department has decided to take part in the national charity event called Practice-a-thon which is run by CLIC Sargent—the UK's leading cancer charity for children, young people and their families. They provide clinical, practical and emotional support to help them cope with cancer and get the most out of life.

Next week every child who has instrumental or singing lessons at school will be given a sponsor form and practice schedule by their music teacher. The aim is that they practise for a certain amount of time per day for a period of two weeks, starting after half term and ask family and friends to sponsor them.

Completed forms and money should be returned by Friday 25th November to either Mr Everist or their music teacher.

We hope all the children enjoy participating and wish them happy practising!

ROSE HILL U10 HOCKEY TOURNAMENT

Rose Hill hosted the annual U10 hockey tournament on Saturday 8th October in the morning.

7 teams battled hard, everyone playing 80 minutes of hockey over the space of 3 hours. Appreciative spectators were treated to a hot breakfast on arrival and the tournament was played in a competitive but friendly spirit.

Rose Hill had close games throughout and played some great passing hockey. Well done to the tournament winners, Sutton Valence.

UNDEFEATED...!

U11 Pink Girls Hockey Team played in the Sutton Valence Tournament on Wednesday 12th October.

In the group stages, we beat Sutton Valence, Marlborough House and Kings Rochester, and drew against Spring Grove meaning that we won the group stage.

In the semi-final against Dulwich, the score was 0—0 after full time and after an exciting 5 minutes Golden Goal with end to end hockey, the score remained at 0—0. To decide the eventual winners a penalty corner count back was used, which unfortunately put Dulwich through by one short corner.

In the 3rd place play-off, the score was 1—1 after going to Golden Goal once again. This time Rose Hill came out on top by one short corner, meaning we finished in 3rd place overall. The team remained undefeated all afternoon due to their extraordinary work rate and determination.

Well done girls!

Lessons will be at the same time each day and will last 50 minutes. Students are taught in groups of a maximum of five, each working at their own pace with targets set specifically for them. As there is generally a waiting list I am unable to give a reduction if a student can only come for some of the days.
